THINGS THAT GO THUMP IN THE NIGHT

SOLUTION

IT WAS THE TWINS

Everyone was on edge at the Haunted House. Lady Nocturna was unhappy with her new location, but an alibi placed her in the library. Wayne Waxon was angry, dysregulated by the full moon, and ran his energy off, leaving hair everywhere. He was seen leaving prior to the murder.

Though the Twins said they were in sync, they occasionally tripped up in their statement, and left one lolly uneaten – most unusual. The book *How To Talk to Humans 101* hinted at a possible career in Theo's ticket-taking role.
And Brian Bluds? He used embarrassment as a cloak. No one saw him in the wake of the sunburn that weakened him until the CCTV showed him entering the room to discover Theodore.

While all suspects have a motive, only the Twins can be placed at the scene of the crime with the opportunity and strength of two to lift the flail and deal the deadly blow.
